

## FACE MASKS

As the situation surrounding COVID-19 continues to change rapidly, we want to ensure we have what the foodservice industry needs to tackle ongoing challenges. The CDC is now recommending that everyone wear face masks in public to help prevent the spread of the virus. We've identified 3-ply disposable face masks that will fit your foodservice needs during this challenging time.

### **FMP NO. 133-1963**

Karat 3-Ply Disposable Face Mask with Elastic Ear Loops\*  
50 masks per package

*Ships from vendor the week of April 13th*

We are currently experiencing a large demand of these specific products. We expect the lead time for these face masks to increase daily.
