Style & Performance

Polished aluminum percolators brew perfect coffee and automatically hold it at the ideal serving temperature. These percolators are built for heavy-duty service and are ideal for caterers, restaurants, schools, health care facilities, offices and shops.

Polished aluminum adds style and flair.

Fast brew times:

- 60 cups* – less than 45 minutes
- 100 cups* – less than 70 minutes

- Dual, high-limit thermostat to protect against overheating
- Non-drip spigot
- Brew-view gauge and interior water level markings
- Twist-to-secure cover with stay-cool phenolic handles and knob
- Signal light to indicate when coffee is ready
- 3-prong grounded plug
- 100 cup model has "on/off" switch
