

Shake...Slice...Grate and Peel...

Dredgers

These 18-8 stainless steel dredges are ideal for shaking salt, spices, powdered sugar and cheese. Three different hole diameters are offered for fine, medium or coarse ingredients. Handles are welded for greater strength.

861, 862, 862CS

Peelers

Surgical steel blades maintain a sharp edge and comfort grip handles make these peelers easy to use.

* White peeler only available in assortment.
Red and black peelers also sold separately.

327* Assortment

Ergo Tools

Cheese Grater, Swivel Peeler and Y-Shaped Peeler

Ergonomic, contoured handles are made from non-slip Santoprene® thermal plastic to deliver a new level of handling ease. No hidden crevices in the handle to capture food particles. All metal parts are made of durable 18-8 stainless steel.
