

Cups, Mugs, & Saucers

Coffee and cappuccino cups and mugs feature classic and vintage styles, many of which are stackable, and also offer operators a wide selection of colors and matching saucers.

Tritan™ by Eastman

A Luxury Copolyester for the Modern World

MICROWAVE
SAFE FOR
REHEATING

You want drinkware made from Tritan because it's:

- Outrageously durable, outperforming all other plastics in terms of maintaining clarity, chip-, crack- and craze-resistance, drop tests, heat tests and more
- Designed to handle hot beverages and microwaving, which none of most commonly used plastics for drinkware can do
 - Melamine cups and mugs handle hot beverages but are not microwave-safe
- Customizable in terms of logo imprinting, and the body can be colorized as well

Tritan™ is perfect for:

- Banqueting
- Catering
- Hotel rooms
- Poolside and rooftop/al fresco
- Campus
- Restaurants
- Corporate thank you gifts
- Logoed giveaways
